Completing Adobe Acrobat Forms:

You must use Adobe Acrobat Reader version 11 or latter to open and complete the forms. If you do not have Adobe Acrobat, you can download it free from Adobe at: <http://get.adobe.com/reader/?promoid=BUIGO>. You cannot use other readers, as they may not be compatible with the Adobe forms.

To complete a form, just type or select fields highlighted in blue or red. Sections highlighted in red are required fields. On the Family Tally form, some calculations are computed to help you calculate the registration cost. Sometimes these calculations are not computed until you selections are fully entered. To verify that the calculations are all complete please select the calculation button at the bottom of the sheet.

After completing the form, save the form to your computer (please rename the form). If you are registering multiple people, just save each form under a different name (for example, 2018_Youth_Form_MyName.pdf)

Submitting Forms

All family registration documents including registration forms for any and all cub scouts, youth volunteers, adult volunteers and Tagalong shall be filled in, printed, signed and assembled into a packet along with medical forms, a Family Tally Sheet and check or money order made payable to your **Pack** and submitted to the Pack Coordinator.
